

After the governor's declaration yesterday, Hustle & Muscle has decided to temporarily close our doors, starting today March 17th at 12:00 (noon). Your health is so important to us and we want to do everything we can to help protect you and our community. We will cancel all group fitness classes and open gym for the next week, then evaluate the circumstances and monitor the guidance from the federal, state, and local governments and decide how to move forward next Tuesday, March 24th.

If you are a personal training client and still want to come in for one-on-ones, we are willing to accommodate these appointments, so please contact your trainer to confirm or cancel any existing appointments.

Thank you for your support through this time; it means so much to us and we greatly value the community and relationships we have built in the last 5 months. We are confident that we will, with everyone's support, come through this and will be ready to hit the ground running once everything clears up.

We will be putting everyone who has an auto-pay membership on a freeze. If you have a class pack, we will push out all expiration dates as needed. Email us as any time: info@hmfiteugene.com.

One way to help support us is to purchase a gift card or class pack to use later this year; the purchase options can be found online. We do offer a \$25 gift card and every purchase helps our situation. Thank you so much! Stay healthy, mentally stimulated, eat healthy and keep moving.

Yours in health,

Bethany Robinson & the Hustle & Muscle Team
